The SCO Group, Inc. v. International Business Machines Corporation
Case No. 2:03CV0294 DAK

Dear Ms. King:

Please be advised that Intel's involvement as a third party in the above-referenced matter is complete and it is no longer necessary to include Intel's counsel, Mark Wagner, or me, Anthony Marks, in the service of documents. Accordingly, please remove Intel's attorneys from the service list. Thank you.

Very truly yours,
